

**.Republic Services Inc (Trash Company)**  
**Williamsburg II HOA Pricing and Offer Code effective January 2016**  
**Republic Office phone number 303-286-1200**

\$14.95/mo trash only, billed quarterly at \$44.85 plus \$3.25 admin fee, no fuel or environmental fees.

\$17.95/mo trash and recycle, billed quarterly at \$53.85 , no fuel or environmental fees.

96 gallon trash and recycle polycarts are included in the pricing above, no deliver fees on the carts.

Carts are NOT required for service if there are residents who currently have their own carts and do not want one of ours.

There is not a price break for using your own carts.

Trash service is weekly, recycle service is every other week.

The current schedule is Friday service.

Bulk item pick up is still \$25 per item billed directly to the homeowner.

Bulk removal requests must be called in 24 hours prior to needed pick up.

The **OFFER CODE IS #901** for Williamsburg II Residents. When resident calls in to customer service they need to tell the representative they live in the Williamsburg II HOA and have a special offer code of #901.

This will alert the customer service rep to place this caller into a special pricing group that allows us to turn off the fuel and environmental fees.
